

Access and Participation Steering Group

Terms of Reference

1. To discuss and agree the access and participation plans and the annual monitoring statements.
2. To receive regular updates on the performance against the access and participation KPIs.
3. To discuss and agree a framework to measure and report on the impact of WP activities and spend.
4. To receive regular updates from the Student Retention Steering Group, Inclusivity Champions' Action Network, Employability Steering Group, and the Admissions Policy Subcommittee on the implementation of actions relevant to the access and participation plan.
5. To allocate recurrent WP funding to the activity areas of access, success, progression as well as financial support.
6. To agree on the prioritisation of WP funding from a tactical projects fund to address areas of underperformance in line with the access and participation plan.
