## Forces Science Show

10.15am, 11.00am,  
11.45am, 12.30pm.

**Living Lab, ground floor**

## Outside

Discover how to look after the environment with Peterborough Environment City Trust (PECT) and learn about Science, Technology, Engineering and Maths with Peterborough STEM.

Take part in a hands-on Construction challenge to build a Tetrahedron. How tall can you make the structure?

Meet the POSH Women players, take a penalty and enter the free prize draw to win a POSH shirt.

Take on the challenges dotted about campus: 2-player basketball shoot out, giant buzz wire, 4-player Strike a Light and the Maze Runner.

Master a range of circus skills including plate spinning, juggling and hula hooping. Keep an eye out for the juggling unicyclist!

Scale the climbing wall and take aim on the soft archery with Nene Park Outdoors.

## Don't miss the **Dinosaur Walkabout**

Outside the Living Lab. Walkabouts take place at 10am, 10.45am, 11.30am and 12.15pm.

**Refreshments are available at The Deli Chef, Worrina Cafe and ice cream van.**

# COMMUNITY DAY WHAT'S ON

## Join a campus tour

Meet at the reception desk.  
10.15am, 11.00am, 11.45am  
12.30pm

## Interested in studying with us?

Visit the Student and Library  
Services helpdesk on the  
ground floor or visit  
[aru.ac.uk/peterborough](http://aru.ac.uk/peterborough)

## Meet the Team

Are you joining us in September  
or thinking about Higher  
Education studies? Meet the  
team in the Reading Room and  
find out more about courses at  
ARU Peterborough.

## ARU Peterborough Wellbeing team

Visit the team outside and  
learn how we can support your  
wellbeing. Find out about our  
good mood cafe and discover  
the Students' Union.

## Need some quiet time?

Visit UHP117 on the first floor  
and take some time out. With  
bean bags, noise isolating  
headphones and soft music,  
this is the place to get away  
from the crowds.

In the event of adverse weather conditions attractions  
listed as outside will be moved inside where possible.
