

Principal author	Year	Paper Title - Outputs since Jan 2014 - latest first	Journal Title
Peter Allen	2020	A possible use of precision tinted glasses to improve social cognition in children with Autism Spectrum Disorders	Vision Research
Peter Allen	2020	SARS-CoV-2 self-isolation: recommendations for people with a vision impairment	Eye
Peter Allen	2020	Social representation of 'hearing loss' among people with hearing loss: An exploratory cross-cultural study.	Journal of the American Academy of Audiology
Peter Allen	2020	Optimal methodology for lid wiper epitheliopathy assessment	Contact Lens and Anterior Eye
Peter Allen	2020	Expert consensus statement to guide evidence-based classification of vision-impaired paralympic athletes: a Delphi study	Optometry and Vision Science
Peter Allen	2020	Cricketers aren't tickled pink by the coloured ball	Journal of Science and Medicine in Sport
Peter Allen	2020	Soft contact lens wearers' compliance during the COVID-19 pandemic	Contact Lens and Anterior Eye
Peter Allen	2020	Associations between obesity and ocular health in Spanish adults	Lifestyle Medicine
Peter Allen	2020	Impact of improper approach to identify lid wiper epitheliopathy	Clinical Ophthalmology
Peter Allen	2020	Exploring tinnitus heterogeneity	Progress in Brain Research
Marta Vianya-Estopa	2020	Optimising subjective anterior eye grading precision.	Contact Lenses Anterior Eye
Marta Vianya-Estopa	2020	Could telehealth help eye care practitioners adapt contact lens services during the COVID-19 pandemic?	Contact Lenses Anterior Eye
Akash Chima	2020	Interocular ND filter suppression: eccentricity and luminance polarity effects.	Journal of Vision
Jan Skerswetat	2020	Contrast-modulated stimuli produce more superimposition and predominate perception when competing with comparable luminance-modulated stimuli during interocular grouping.	Scientific Reports
Monika Formankiewicz	2020	Grouping effects on foveal spatial interactions in children.	Investigative Ophthalmology & Visual Science
Eldre Beukes	2020	A Content Analysis of YouTube Videos related to Hearing Aids	American Journal of Audiology.
Eldre Beukes	2020	Quality and readability of English-language Internet information for vestibular disorders	Journal of Vestibular Research
Eldre Beukes	2020	Translation and Adaptation of Three English Tinnitus Patient-Reported Outcome Measures to Spanish	International Journal of Audiology
Eldre Beukes	2020	Media use by older adults with hearing loss: An exploratory survey	American Journal of Audiology.
Eldre Beukes	2020	Quality, readability and suitability of hearing health related materials: A descriptive review	American Journal of Audiology.
Eldre Beukes	2020	Readability following cultural and linguistic adaptations of an Internet-based Intervention for Tinnitus for use in the United States.	American Journal of Audiology.
Eldre Beukes	2020	Portrayal of hearing loss in YouTube videos: An exploratory cross-sectional analysis	American Journal of Audiology.
Eldre Beukes	2020	Features, functionality, and acceptability of Internet-based cognitive behavioral therapy for tinnitus in the United States	American Journal of Audiology.
Peter Allen	2020	Changes in Tinnitus Experiences during the COVID-19 Pandemic	Frontiers in Public Health
Peter Allen	2019	Internet-based interventions for adults with hearing loss, vestibular disorders and tinnitus: a systematic review and meta-analysis.	Trends in Hearing
Peter Allen	2019	Sources of error in clinical measurement of the amplitude of accommodation	Journal of Optometry
Peter Allen	2019	Rifle shooting for athletes with vision impairment: does one class fit all?	Frontiers in Psychology
Peter Allen	2019	Clinical use of the Kannada and English rate of reading tests	Frontiers in Psychology
Peter Allen	2019	Comparing awareness of mental health issues and CBT in male and female UK Premier League soccer players and university students	Journal of Sports and Human Performance
Peter Allen	2019	Low-dose (0.01%) atropine eye drops to reduce progression of myopia in children: a multi-centre placebo controlled randomised trial in the UK (CHAMP-UK) - a study protocol	British Journal of Ophthalmology
Peter Allen	2019	Visual impairment and handgrip strength in older adults	Wiener Klinische Wochenschrift
Keziah Latham	2019	Rehabilitation needs and activity limitations of adults with a visual impairment entering a low vision rehabilitation service in England	Ophthalmic and Physiological Optics
Marta Vianya-Estopa	2019	Fast versus gradual adaptation of soft daily disposable contact lenses in neophyte wearers.	Contact Lenses Anterior Eye
Robert MacKinnon	2019	Objective auditory brainstem response classification using machine learning	International Journal of Audiology
Eldre Beukes	2019	Representation of Hearing loss and Hearing Aid(s) in the United States Newspaper Media: Cross-sectional Analysis of Secondary Data.	American Journal of Audiology.
Nery Garcia-Porta	2019	Characterization of the ocular surface temperature dynamics in glaucoma patients using long-wave infrared thermal imaging	Journal of the Optical Society of America A (JOSA A)
Nery Garcia-Porta	2019	Comparison of different smartphone cameras to evaluate conjunctival hyperaemia in normal subjects.	Scientific Reports
Peter Allen	2018	Problems and life effects experienced by tinnitus research study volunteers: an exploratory study using the ICF classification	Journal of the American Academy of Audiology
Peter Allen	2018	The success of sinister right handers in baseball batting.	New England Journal of Medicine
Peter Allen	2018	Coloured filters and visual stress	Ophthalmic and Physiological Optics
Peter Allen	2018	Design of a Kannada version of the Rate of Reading Test	Indian Journal of Ophthalmology
Peter Allen	2018	The repeatability of Colorimetry is as expected	Neuro-Ophthalmology and Visual Neurosciences
Peter Allen	2018	Variant myopia - a new presentation?	Indian Journal of Ophthalmology
Peter Allen	2018	Out with the old, in with the new: how changes in cricket helmet regulations affect the vision of batters	Journal of Sports Sciences
Peter Allen	2018	Contrast sensitivity is a significant predictor of performance in rifle shooting for athletes with a vision impairment	Frontiers in Psychology
Peter Allen	2018	Elite academy soccer players' perceptions towards cognitive behavioural therapy	Journal of Clinical Sports Psychology
Peter Allen	2018	Long term efficacy of audiologist guided internet-based cognitive behaviour therapy for tinnitus	American Journal of Audiology
Peter Allen	2018	Participants' experiences of an internet-based cognitive behavioural therapy for tinnitus	International Journal of Audiology
Peter Allen	2018	Internet-based interventions for adults with hearing loss, vestibular disorders and tinnitus: a systematic review and meta-analysis protocol.	Systematic Reviews
Peter Allen	2018	Guided internet based versus face-to-face clinical care in the treatment of tinnitus: a multicentre randomised non-inferiority trial	JAMA Otolaryngology

Keziah Latham	2018	Benefits of low vision aids to reading accessibility	Vision Research
Jan Skerswetat	2018	Levelt's laws do not predict perception when luminance- and contrast-modulated stimuli compete during binocular rivalry	Scientific Reports
Robert MacKinnon	2018	Tinnitus information online - does it ring true?	The Journal of Laryngology and Otology
Eldre Beukes	2018	Social representation of "music" in young adults: a cross-cultural study	International Journal of Audiology
Eldre Beukes	2018	Comments on Tao et al. (2018), "Multiple-Frequency Matching Treatment Strategy for Tinnitus."	Journal of International Advanced Otolology
Eldre Beukes	2018	Representation of Hearing loss and Hearing Aid(s) in the United States Newspaper Media: Cross-sectional Analysis of Secondary Data	American Journal of Audiology
Nery Garcia-Porta	2018	The potential influence of Schirmer strip variables on dry eye disease characterisation, and on tear collection and analysis	Contact Lens & Anterior Eye.
Peter Allen	2017	A Delphi study to develop practical diagnostic guidelines for visual stress (pattern-related visual stress)	Journal of Optometry
Peter Allen	2017	Internet-based intervention for tinnitus: Outcome of a single-group open trial	Journal of the American Academy of Audiology
Peter Allen	2017	Guided internet-based versus face-to-face care in the management of tinnitus: protocol for a multi-centre randomised controlled trial.	Trials
Peter Allen	2017	Reply to Letter to the editor by Barrett et al. commenting on Evans and Allen: A systematic review of controlled trials on visual stress using Intuitive Overlays or the Intuitive Colorimeter.	Journal of Optometry
Peter Allen	2017	Situationally influenced tinnitus coping strategies: A mixed methods approach.	Disability and Rehabilitation
Peter Allen	2017	Audiologist guided Internet-based cognitive behaviour therapy for adults with tinnitus in the United Kingdom: a randomised controlled trial.	Ear and Hearing
Peter Allen	2017	Process evaluation of Internet-based cognitive behavioural therapy for adults with tinnitus in the context of a randomised control trial.	International Journal of Audiology
Peter Allen	2017	Positive experiences associated with tinnitus: Our experiences from two hundred and forty respondents	Clinical Otolaryngology
Keziah Latham	2017	Physical inactivity in relation to self-rated eyesight: cross-sectional analysis from the English Longitudinal Study of Ageing	BMJ Open Ophthalmology
Keziah Latham	2017	Relative Difficulties of Daily Living Tasks with Retinitis Pigmentosa	Optometry and Vision Science
Keziah Latham	2017	Functional Visual Fields: Relationship of Central and Peripheral Field to Self-Reported Function	Ophthalmic and Physiological Optics
Keziah Latham	2017	Visual search behaviour among individuals with Retinitis Pigmentosa during level walking and obstacle crossing	Investigative Ophthalmology and Visual Science
Keziah Latham	2017	Functional visual fields: A cross-sectional UK study to determine which visual field paradigms best reflect difficulty with mobility function.	BMJ Open
Yvonne Norgett	2017	Effect of stimulus configuration on crowding in strabismic amblyopia	Journal of Vision
Jan Skerswetat	2017	More superimposition for contrast-modulated than luminance modulated stimuli during binocular rivalry	Vision Research
Eldre Beukes	2017	Social Representation of "Loud Music" in Young Adults: A Cross-Cultural Study.	Journal of the American Academy of Audiology
Peter Allen	2016	Myopes experience greater contrast adaptation during reading	Vision Research
Peter Allen	2016	The relationship between visual function and performance in rifle shooting for athletes with visual impairment.	BMJ Open Sports & Exercise Medicine
Peter Allen	2016	The effect of viewing distance on responses to the Pattern Glare Test	Clinical and Experimental Optometry
Peter Allen	2016	Are cricket batsmen being taught to bat back-to-front?	Sports Medicine
Peter Allen	2016	Habitual wearers of colored glasses adapt more rapidly to the color changes they produce.	Vision Research
Peter Allen	2016	Development and efficacy of an internet-based intervention for tinnitus in the UK	Internet Interventions
Peter Allen	2016	A systematic review of controlled trials on visual stress using Intuitive Overlays or the Intuitive Colorimeter.	Journal of Optometry
Peter Allen	2016	The level of vision necessary for optimal performance in shooting: setting the standards for Paralympic shooting with vision impairment.	Frontiers in Psychology
Keziah Latham	2016	Differences in Vision Performance in Different Scenarios and Implications for Design	Applied Ergonomics
Holly Price	2016	Global Vision Impairment and Blindness Due to Uncorrected Refractive Error, 1990–2010	Optometry and Vision Science
Holly Price	2016	Global Estimates on the Number of People Blind or Visually Impaired by Diabetic Retinopathy: A meta-analysis from 1990-2010	Diabetes Care
Akash Chima	2016	Interocular suppression patterns in binocularly abnormal observers using luminance- and contrast-modulated noise stimuli	Journal of Vision
Jan Skerswetat	2016	Very few exclusive percepts for contrast-modulated stimuli during binocular rivalry	Vision Research
Monika Formankiewicz	2016	Crowding and visual acuity measured in adults using paediatric test letters, pictures and symbols	Vision Research
Sarah Waugh	2016	Visual acuity measured with luminance-modulated and contrast-modulated noise letter stimuli in young adults and adults above 50 years old.	F1000Research
Sarah Waugh	2016	A clinical test for visual crowding.	F1000Research
Sarah Waugh	2016	Monocular microsaccades are visual-task related.	Journal of Vision
Robert MacKinnon	2016	Lifetime leisure music exposure associated with increased frequency of tinnitus	Hearing Research
Nery Garcia-Porta	2016	Differences in Dry Eye Questionnaire (DEQ) symptoms in two different modalities of contact lens (CL) wear: silicone-hydrogel in daily wear basis and overnight orthokeratology.	Biomed Res Int.
Peter Allen	2015	Lexical decision in adults with low and high susceptibility to pattern-related visual stress: a preliminary investigation.	Frontiers in Psychology
Peter Allen	2015	Identifying visual stress during a routine eye examination	Journal of Optometry
Peter Allen	2015	Visual defects and the use of coloured filters in children who are deaf	Optometry and Vision Science
Peter Allen	2015	Internet-based cognitive behaviour therapy for adults with tinnitus in the United Kingdom: Study protocol for a randomised controlled trial.	BMJ Open
Peter Allen	2015	Vision is relevant to reading	Pediatrics
Peter Allen	2015	Near-work induced transient myopia in Indian subjects	Clinical and Experimental Optometry
Peter Allen	2015	Pattern glare: the effects of contrast and color.	Frontiers in Psychology
Keziah Latham	2015	Distance word acuity, critical print size and driving vision standards	Clinical and Experimental Optometry

Keziah Latham	2015	Difficulties with goals of the Dutch ICF Activity Inventory: perceptions of those with Retinitis Pigmentosa and of those who support them	Investigative Ophthalmology and Visual Science
Keziah Latham	2015	Meeting the UK driving vision standards with reduced contrast sensitivity	Eye
Keziah Latham	2015	Objective analysis of performance of Activities of Daily Living in people with central field loss	Investigative Ophthalmology and Visual Science
Keziah Latham	2015	Emotional Health of People with Visual Impairment Caused by Retinitis Pigmentosa	PLOS ONE
Holly Price	2015	Number of People Blind or Visually Impaired by Cataract Worldwide and in World Regions, 1990 to 2010	Investigative Ophthalmology and Visual Science
Akash Chima	2015	Investigation of interocular blur suppression using luminance-modulated and contrast-modulated noise stimuli	Journal of Vision
Senay Aydin	2015	Evidence for an Eye-Movement Contribution to Normal Foveal Crowding.	Optometry & Vision Science
Nery Garcia-Porta	2015	Performance of three multipurpose disinfecting solutions with a silicone hydrogel contact lens	Biomed Res Int.
Peter Allen	2014	Coloured filters may reduce symptoms of dyslexia in those with visual stress	BMJ
Peter Allen	2014	Visual performance in deaf children: a literature review	Acta Ophthalmologica
Keziah Latham	2014	Advising patients on visual fitness to drive: implications of revised DVLA regulations	British Journal of Ophthalmology
Keziah Latham	2014	The effect of trial frames on adaptive gait	Gait and Posture
Holly Price	2014	Visual Impairment and Blindness Due to Macular Diseases Globally: A Systematic Review and Meta-Analysis	American Journal of Ophthalmology
Holly Price	2014	Prevalence and causes of vision loss in high-income countries and in Eastern and Central Europe: 1990-2010	British Journal of Ophthalmology
Holly Price	2014	Prevalence and causes of vision loss in North Africa and the Middle East: 1990–2010	British Journal of Ophthalmology
Holly Price	2014	Prevalence and causes of vision loss in sub-Saharan Africa: 1990–2010	British Journal of Ophthalmology
Holly Price	2014	Prevalence and causes of vision loss in Latin America and the Caribbean: 1990–2010	British Journal of Ophthalmology
Holly Price	2014	Prevalence and causes of vision loss in Central and South Asia: 1990–2010	British Journal of Ophthalmology
Holly Price	2014	Prevalence and causes of vision loss in Southeast Asia and Oceania: 1990–2010	British Journal of Ophthalmology
Holly Price	2014	Prevalence and causes of vision loss in East Asia: 1990–2010	British Journal of Ophthalmology
Holly Price	2014	Prevalence and causes of vision loss in sub-Saharan Africa: 1990-2010	British Journal of Ophthalmology
